The first 90 days of a new appointment is a crucial time. It is when you set up the foundation for future success, or failure. You have unique window of opportunity to make your mark.

PRIMEXL's Induction Coaching program is a rigorous, comprehensive approach to setting up newly appointed leaders for success.

We work with you to get runs on the board early. We help you:

- clarify your key objectives
- map the political territory
- create a personal learning plan
- develop strategic relationships.

How it works:

- Initial scoping meeting
- Choice of professional coach
- Six coaching sessions, at a location convenient to you
- Progress reviews and measuring success
- Phone and email access to the coach outside of coaching sessions

"The "political landscaping" that my coach and I worked on has become an invaluable tool that I return to time and time again. I've realised how I can get real engagement on my ideas, rather than bulldoze them through."
